Birthday Celebrations

In August Collette Duffin celebrated her 70th Birthday at the village hall in Lover in the company of a large number of family and friends. The grandchildren, (they have 9) sang “Do-Re-Mi” from “The Sound of Music” and Collette gave a very funny Recitation.

Stations of Creation Walk Sunday 24th September at 2.00pm.

The Season of Creation starts on 1st September and ends on 4th October. It is an ecumenical celebration of prayer and action for the common home, and a time when we can celebrate everything in God’s creation as well as reflect on the ways in which our lives may be damaging it. As the devastating impact of climate change is now a daily reality the celebration of the Season of Creation takes on even more importance.

One of the ways that we can celebrate the Season is by reflecting on the Creation narrative from the Book of Genesis as we observe nature’s beauty. We will do this by visiting seven ‘Stations’ during a walk from the Cathedral Close to St George’s Church at Harnham. We will meet at Mompesson House

in the Cathedral Close at 2.00pm and walk, via Elizabeth Gardens and the Harnham water meadows, to St George’s Church at Harnham, pausing for a few minutes at our Stations. The walk is open to everyone; if you decide to join us we would be delighted to see you.

For further information please contact Brother Graham Brown.

Pub Lunch

Our next Pub Lunch is on Tuesday 12th September at the Rose & Crown Harnham at 12.15, contact Richard Verrian if you wish to attend. Depending on numbers it is likely that meals will have to be pre-booked, the menu will be emailed to all circle brothers & widows. **NOTE**, It has been suggested that Brothers may wish to take the opportunity of a Punting Tour on the River Avon, either before or after the meal. If anyone wishes to do so, they will need to book it in advance by contacting “Salisbury Punting”, their details can be found at [Salisbury Punting Home page](#). Cost is 1 - 2 adults £20 each and up to 4 more adults at £10 each.

Looking ahead

Our October Circle meeting will be a lunchtime meeting. Following the meal there will be a talk by Vincent Sheppard on the Geology of the Jurassic Coast. Wives, visitors guests are invited to attend the lunch and talk. Enrolment is from 1145 and the meeting starts at 1200, finishing at 1230 when visitors arrive. The meal starts at 1245 and the event finishes by 1500.

Visits to other Circles

Visiting other Circles gives us all an opportunity to both make new friendships, keep in touch with existing friends, and also to see how other Circles do things. Our President doesn’t drive, and so he would appreciate your support in ensuring that Salisbury Brothers visit other Circles in our Province.
