

A quiet month in May with not much to report, however as COVID restrictions are now starting to lift then hopefully things should start to pick up over the next few months. In anticipation of this, 5 brothers undertook a 4 mile walk in the Woodford valley followed by lunch at the Bridge Inn (purely to reconnoitre the ground for suitability for our wives, and also to sample the food).

Don't forget that it's at the Council meeting where future plans and the running of the Circle are initially discussed. All members are welcome to attend Council meetings and join in the discussions; you won't have voting rights, but through your views and comments you can influence decisions. It is intended that Council meetings will continue to be by Video Conference.

Don't forget your tickets for the Salisbury Swindle

As his charity for this, year our President Adrian Holloway has nominated the
Royal National Lifeboat Institution (RNLI).

Due to COVID restrictions the format is different from previously. The sheet of numbers is available to view on the Salisbury Catenians web page. Brothers can select their numbers and pay either by bank transfer or cheque. Each square selected costs only £2, with a monthly prize of £20. You can change your numbers at any time by notifying the Treasurer. The draw takes place live immediately after the monthly circle Video meeting. As ever your generosity is much appreciated.

May winner was Allan Trowbridge.
