NEWSLETTER – February 2021

SALISBURY CIRCLE 266

The January Mass for deceased Salisbury Catenian Brothers. With 25 on the screen no chance of a decent picture of everyone, but at least all those attending are visible (only just in some cases – back lighting is not a good idea).

## Schools Computing Appeal

As you will be aware, at the beginning of January it was decided that Salisbury Catenians should help support our local Catholic schools to obtain IT equipment for those pupils, without access to a suitable computer or tablet, and who are now home schooling during the COVID lockdown. This would be supported by financial donations and the donation of PCs, Laptops or Tablets that were no longer required. In order to maximise any monetary donations, it was agreed we would partner with Salisbury Catholic Outreach (SCORE), which would allow any donations to qualify for Gift Aid, Increasing the value of our donation by 25%.

As of close of play 31<sup>st</sup> January £2,500 has been raised, and 15 assorted devices donated. A number of potential sources of surplus equipment have been identified and are being pursued. Eleven items of hardware have been delivered to St Joseph's school with another 4 due for delivery this week. Regarding the financial donations, £2,250 has been released to be shared between St Osmund's school and Christ the King School, Amesbury.

If you haven't yet donated, please consider doing so. Any hardware, i.e. PCs, Laptops, Tablets, Screens, Keyboards etc. is welcome. Please contact Brother Michael Presley if you have any hardware to donate. For financial donations full details on how to pay along with Gift Aid details can be found on the Salisbury Parish website <https://salisburycatholics.org/computers> . If you are a UK tax payer I do urge you to Gift Aid; if all the £2,500 already donated was Gift Aided then the Government would add an extra £625 (that could provide another 4 refurbished tablets).

### Unused Rosary Beads

Did you know there is a Catenian Rosary Group? I didn't. Founded in 2002, its members pray at least one decade of the Holy Rosary every day. In 2009 they were asked if they could provide Rosary Beads for the Aboriginal people in Australia. It wasn't long before they were providing Rosary Beads to various parts of Africa as well. The Catenian Rosary Group currently provide Rosaries to Australia, Africa and also to schools, parishes and prisons in the UK. So far over half a million Rosaries have been donated and distributed.

During this period of COVID lockdown we have more time to sort and clear our belongings at home. Often spare rosaries are lurking in a drawer, no longer needed. Frances Rolleston is collecting unused rosary beads, and a small group of Catenians passes them on in their missionary work at home and abroad. Recycling Rosaries is easy. Gather any you find and she will pass them on. There is no end date, it's an ongoing activity of hers.

### Don't forget your tickets for the Salisbury Swindle

As his charity for this year our President Adrian Holloway has nominated the  
**Royal National Lifeboat Institution (RNLI).**

Due to COVID restrictions the format is different from previously. The sheet of numbers is available to view on the Salisbury Catenians web page. Brothers can select their numbers and pay either by bank transfer or cheque. Each square selected costs only £2. You can change your numbers at any time by notifying the Treasurer. The monthly prize will be a £20 Marks & Spencer voucher. As ever your generosity is much appreciated. The draw takes place live during the Video meetings.

**January's winner was Graham Brown.**
